RENTAL CONDITIONS

1. The renter assumes full responsibility for the equipment.
2. In the event of total breakage or theft, the equipment will be charged to the renter at market value.
3. In the event of partial damage to the equipment, the cost of repair will be charged to the renter according to the current repair price list.
4. In case of theft, the renter is required to file a report with the competent law enforcement authorities.
5. During the rental period, equipment may be replaced with items of equal value. Replacement with equipment of higher value is also possible, with the renter paying the difference. However, no refund will be given for equipment of lower value.
6. If the rented equipment is not returned for any reason according to the agreed terms, a theft report will automatically be filed against the renter on the 20th day after the agreed return date.
7. Early termination of the rental contract is possible by returning the equipment, without any refund to the renter.
8. The rented equipment will be provided already adjusted and set according to the data provided by the renter and in compliance with the supplier company's regulations. In case of tampering by the renter, all liability is declined.
9. This rental contract will only be valid after presentation of an identity document, registration of personal data, provision of a phone number, and completed payment.
10. In accordance with EU Regulation 679/2016, we inform you that your data may also be processed using your phone number and/or email address to send newsletters, provide information about our initiatives, or follow up on requested services. You may request deletion or modification of your data at any time, as provided by the privacy regulation.
